## Hearne Congregation Happenings

July 12, 2006

The theme for this Sunday is “Glorify God”

Give the

Lord

Open praise and

Raise our voices

In unison to proclaim

For all to know His greatness

Year after year, moment after moment.

This week we offer a mini bible lesson to do individually or in a group. So – get out your bibles and find the Scriptures below and fill in the blanks. Do you know where your bible is? Is it dusty? Pull it out and spend time reflecting on the Scripture and the ideas. Do a few – do them all but at least read some of the questions! Give it some thought. Maybe you answer first and then see what the Scriptures say. Does your answer change after you refer to the Scriptures? Broaden a horizon? - Cause you to reconsider a notion? – Reinforce a belief? Enjoy this, have fun with this and reflect on it. Give it some thought. *Glorify God today and everyday.*

Mark your calendars!

Almost two years ago the congregation became committed to being "A Witnessing Community" witnessing of the love of Jesus Christ in our daily lives. Since that time we have welcomed back some of our family, and added new family to our roster. The theme heard from Hearne is "**Everything we do is Outreach**"...it is the theme of the Outreach Team of the Mission Center and now is the cry at Hearne. The people at Hearne strive to live each day as God would have us to live so that our witness to the communities in which we live might have integrity, and others will come to want to know our Lord.

We must always remember that **everything we do, everywhere we go, every word we say and every action we make testifies to whom we belong!** May God continue to bless us all as we strive to live out of witness of Him!
